Highlights

Darwin's Kingdom - Animal Encounter

This week the caterpillar Class enjoyed an exciting visit to Potters Gate to see different reptiles to start our topic of 'Brilliant Beasts'. We got to look at, stroke and hold four different reptiles. We saw a gecko, a blue tongued lizard, a tortoise and a boa constrictor. We were all very brave and we enjoyed asking lots of questions about the different reptiles.

Forest School Otters Class had a wonderful time at their first Forest School session of the year. Despite the cold temperatures, they embraced the full Forest School experience.

A Note From Mrs Lloyd

I would like to welcome you all back to the start of term by wishing you all a very Happy New Year. I hope you had a magical time celebrating and enjoyed spending time with your families.

The new term had an exciting start with snow falling during our first play time! Despite not being able to build a snowman, much fun was still had!

We would like to send a very warm welcome to several new families who have joined our school community this term and hope you embrace being part of our school.

ST ANDREW'S PTFA WINTER UPDATE

THANK YOU!

What a fabulous term! Thank you all for your support and involvement in our fundraising events so far this school year. It's been fabulous to see so many families involved with the extra curricular side of school life.

We started with our Welcome BBQ on a beautiful September evening. Followed by our biggest annual fundraiser, the Farnham Charity Bike Ride. This year starting and finishing at Potters Gate school, it was another super successful event. Fund-raisin boxes went home over half term, we had a Little Recyclers clothes collection, pre-loved uniform and Stikins clothes labels have been purchased throughout and the Easyfundraising donations continue to trickle in. And we've rounded off the term with lots of beautiful Christmas cards, a wonderfully festive Christmas fair and refreshments at the nativity performances.

IN TOTAL WE HAVE RAISED AN AMAZING £7684.04

Our fundraising has meant we have been able to pay for: Welcome bags for the new Caterpillars, an African music workshop, theatre visit to Potters Gate, Butterflies and Otters trip to the Maltings, new sandpit for Caterpillars, new whole school set of high vis jackets and 2 new gazebos. There are a few requests for funding that school are currently looking into, which will be ready for discussion in the new year, so watch this space. Any other thoughts on what we could spend our funds on are always welcome, please let your class rep know or email ptfa@standrewsptfa.org.

Wishing you all a very Happy and fun filled Christmas and New Year.

Thank you again for your support and we'll see you in 2026.
