**YOUR SCHOOL
HAS BEEN ADOPTED**
by your local Everyone Active Centre

From Saturday 17th—31st January 2026, pupils, parents, and teachers have free access to Farnham Leisure Centre for two weeks. This includes swimming for pupils, plus gym, classes, and swimming for parents and teachers.

Highlights

Space2Grow This week at Space2grow Caterpillar class enjoyed exploring the outdoors. We turned into dinosaurs—using leaves to create pterodactyl wings, hiding in the bamboo to be a tyrannosaurus rex ready to catch their prey. We also went digging for fossils, collected worms for a worm habitat and created 'frog potions'.

Victorian Day at Farnham Museum Butterfly Class looked fantastic as Victorian school children. They were interested historians at their strict Victorian school: using chalk and slate, dip pens, performing exercise drills and learning about the Victorian period. During the session, the children used Victorian artifacts, to role play a variety of day to day tasks.

A Note From Mrs Lloyd

Another fabulous week at St Andrew's despite the very gloomy outside. The children have shown true resilience and patience having to be limited to play under the canopy, when it's been just too wet out on the playground.

Year 1 had a wonderful time at the Farnham Museum and we've had wonderful feedback on good manners and behavior from the staff there.

This week saw the successful launch of Little Thinkers and Story Crafters with Mr Hallett and Miss Gillies.

Have a great weekend!
