* Sports Day will take place on the Potters Gate School field

Highlights

Skateboarding / Scooter Workshop Thanks to Team Rubikon, the children had a wonderful time learning how to safely ride scooters and skateboards. They also learned to do a few tricks too!

Caterpillar Class Assembly We couldn't be more proud of how well the Caterpillars performed in their class assembly today. They sang so beautifully to all the parents that came to watch.

Great Playground Plant Up Thank you so much for all your very generous plant donations. Ruth and Rosie have kindly planted everything up and the garden is going to look sensational as it blooms into blue, white and purple.

Check out the Year Group Pages / Celebration of Learning on the school website for lots of lovely photos and an insight in to our learning!

Can we please ask parents not to allow their children to ride bikes or run up Upper Church Lane on the road—please use the footpath. This is a public road and cars do come around the corner heading in the direction of Downing Street.

Shout out for a handful more fair volunteers...

The rota for the first half of the fair is totally full which is amazing, thank you! We still need some more willing helpers for the second half, otherwise there's going to be people stuck on their stall for a long time! We need people for face painting and all the games...please sign up if you can, regardless of which class you're from! Please let your class rep know or add your name to the Spring Fair spreadsheet.

Caterpillar Class Assembly

Enjoying our Farnham's Got Talent performance and handing out the certificates. Thank you to Mrs Durack and Mrs Carrington.
